

GMR.

■ Benefits

Drive successful Grant Management Reviews.

Unison GMR provides grant management professionals, managers, and executives with a robust, proven approach, utilities, and reports for ensuring reviews are thorough and effective — without requiring weeks of tedious preparation.

Establish line of inquiry and associate grants or other financial assistance artifacts to be reviewed

Establish reviews based on agency-defined criteria (e.g. dollar amount, number of grants, grant type, bureau, region, etc.)

Collaborate on reviews

Improve operational and transactional effectiveness of grant offices

Increase compliance with Federal and agency financial assistance laws and regulations

Inform agency leadership on where training is needed

■ Key Features

Unison GMR offers a robust set of tools to support the activity, from organizing the review through execution and remediation.

- Workspace(s) based on line of inquiry, review or audit
- Templates, folder structure, milestones, checklists, security, and notifications
- Collaboration by various teams (site visit team, file review team, etc.)

- Associate necessary grants and award folders for review (by region, by type of grant, by \$ amount, by multiple criteria, etc.)
- Agency determines appropriate number of GMR workspace templates to support agency organizational requirements

- Aggregate findings and create GMR reports for the team to provide as a final output
- Process for approving GMR at its conclusion
