

Federal Government's Trusted Source.

Developed by acquisition professionals for acquisition professionals, the Virtual Acquisition Office™ (VAO) is a total workforce development solution, providing a common platform to facilitate expanded acquisition knowledge and productivity. With more than 65,000 subscribers across all cabinet-level agencies, the VAO is the government's trusted source for up-to-date federal acquisition news, research, training and tools that enable acquisition managers and the workforce to stay on top of the latest news and developments, maximize efficiency and effectiveness, and engage in continuous learning.

■ Benefits

VAO is a comprehensive solution that engages acquisition professionals, including 1102s, CORs, and PMs, to boost their productivity, effectiveness, and career potential.

Achieve required CLP training credits to maintain your warrants

Stay apprised of key acquisition initiatives, regulatory changes, and procurement activity

Drive consistency and compliance with access to up-to-date acquisition processes, document checklists, samples, and templates

Improve decision-making and avoid sustained protests, delays, and failed audits

Information provided keeps me up to date on acquisition related topics. The VAO is essential for continuous learning and so much more. With all it offers it is a one stop shop." - VAO Subscriber

■ Key Features
