

FedConnect.

Benefits

Complete, auditable, secure paperless interactions.

Unison FedConnect provides contract and financial assistance professionals a secure, full-lifecycle, auditable approach to interacting with vendors/grantees and complying with Paperless Contracting mandates.

Engage in full paperless interaction with your vendors and grantees.

Implement a structured process for solicitation and proposal, integrated with your electronic acquisition file.

Utilize communication aids to manage the Q&A process as part of solicitations and as part of the electronic record.

Utilize an electronic mechanism and structure for providing grant awards to grantees and receiving post-award financial and performance reports.

Receive electronic signatures on contract documents.

Waste less time on duplicative data entry, analysis, and reporting.

Enable quick, effective responses to protests.

Key Features

Unison FedConnect enables auditable communication and support throughout the acquisition and grant lifecycle.
